The main map displays a detailed view of the area around the California Avenue Bridge. A black rectangle highlights Census Tract 8435, which is labeled in black text. The bridge itself is labeled in red text and circled in red. The map is overlaid with a grid of red diagonal lines representing Areas of Persistent Poverty Census Tracts and a grid of blue dots representing Historically Disadvantaged Census Tracts. Urbanized areas are shown in light tan. Major streets are labeled in grey, including Douglas Blvd, 16th St, Ogden Ave, Cermak Rd, 18th St, Blue Island Ave, Damen Ave, Loomis St, 26th St, Central Park Ave, Kedzie Ave, Marshall Blvd, Sacramento Blvd, 31st St, 31st Blvd, Western Ave, Archer Ave, Pershing Rd, 43rd St, Stevenson Expwy, Pulaski Rd, Cicero Ave, Ashland Ave, Morgan St, and Racine Ave.
- 

The inset map shows the city of Chicago with a red rectangle highlighting the study area. A red dot is located within the red rectangle, indicating the specific location of the California Avenue Bridge. The word "Chicago" is written in blue at the bottom right of the map.
